EMERGE CURRICULUM PUBLISHING

Reading and Writing Skills K5

The Emerge, Kindergarten Reading and Writing Skills Workbook, is part of the complete curriculum and has been planned and designed to assess the skill and knowledge level of each child and to build from the foundation up. The curriculum is scientifically based. The lessons and activities are wide and varied to ensure a thorough and complete learning experience. The workbook includes a comprehensive pre and post test, memory verses, learning and writing the alphabet, capital letters, one hundred and fifty-three spelling words that are also printed in the Early Reader. The spelling words are planned and presented in a sequence that prepares the student to begin reading by week ten of the school year. The workbook includes lessons, activities and exercises in the use of vowels, consonants, word-picture match, rhyming words, phonetic sounds, blends and all the reading and writing skills that should be mastered before entering first grade. Words from the advanced vocabulary workbook are also included in the reading and writing workbook to add exposure and reinforcement.

Learning is reinforced in a way that engages and challenges each child. Colorful work pages accent each lesson providing the opportunity for each student to learn and grow while demonstrating his or her grasp and understanding of the materials. The activities are interesting and engaging, promoting a high level of interest.

To complete student training and instruction use the Reading and Writing Skills workbook along with the Emerge Advance Vocabulary Skills, Foundational Skills, Math Skills, Early Birdie Reader and Our Diverse America workbooks. The Emerge curriculum meets national grade level standards.
